

Banks Sails

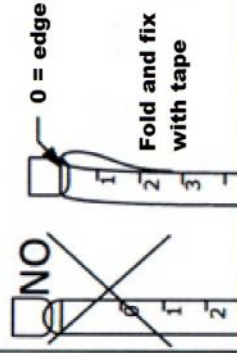

Measure the mast bend with very light back stay load (PRE)

Measure the mast bend with full back stay load (MAX)

Attach latest ORCi/IRC certificate if possible

How to use the measurer

Dimensions has to be reported from the 0. If the 0 is not coinciding with the edge, fold the measurer on itself untill the 0 lays on the edge and fix it with some tape.

Mainsail: Race Integration

Spreaders	N°	Raked
Lined		
Runners	N°
